Damage Waiver

Every time you rent from Ingersoll Rent-All Inc. you have the peace of mind that the equipment you rent is protected from accidental damage. Our Damage Waiver is automatically added each time you rent and is calculated as a surcharge to each rental item. The option is always yours. If you choose to decline the protection, simply mention it to our rental staff before you rent equipment from us and we will promptly remove the charge. The current rate will be printed on each rental contract and is subject to change without notice.

What it covers:

- Accidental damage occurring to the rental equipment while on rent and used under normal working conditions.

What it does not cover:

- Equipment that is used for a purpose for which it was not designed.
- Disappearance, misuse, abuse, neglect to maintain, or intentional damage.
- Damage to tires.
- Damage that results while operating in violation of any law or regulation.
- See item #14 of Terms and Conditions on the reverse of our rental contract.

Please accept or decline the Damage Waiver in the section below. If you choose to decline, you must provide us with proof of insurance. If you choose to accept, the Damage Waiver will be charged unless we are notified in writing. If you do not complete the section below or decline the Damage Waiver but do not provide proof of insurance, your application will not be accepted.

I have read and understand Ingersoll Rent-All Inc's Damage Waiver and wish to:
